I. Introduction

Why we have a Code of Conduct

The Milford Central School District has developed and implemented a set of expectations for conduct on school property and at school functions. These expectations are based on the principles of civility, mutual respect, citizenship, character, tolerance, honesty and integrity.

An individual's character reflects the attitudes, attributes and moral convictions that shape his or her conduct. The development of good character is essential to responsible behavior and academic success in school today and future success in college, career and life.

The Code of Conduct addresses both the development of student character and conduct. In conjunction with the district safety plan, The Code of Conduct contains standards and procedures that assure the security and safety of students and school personnel. The Board of Education of the Milford Central School recognizes the need to:

- Clearly defines the expectations for acceptable conduct on school property;
- Ensure that schools provide equal access to a wide range of supports and interventions that promote positive behavior;
- Help students develop self-discipline and social and emotional worth;
- Enable students to improve and correct inappropriate, unacceptable, and unsafe behaviors;
- Identify the possible consequences of unacceptable conduct; and

Bullying, Discrimination or Harassment

Bullying and cyberbullying, harassment and intimidation, hazing, and bias behaviors are unsafe and do not reflect respect for others as defined by the Code of Conduct.

If you or someone you know is a target of one of these behaviors, you can report it using the DASA Reporting Form available in the school's main office or counseling office. You can also tell a staff member who will respond quickly and provide practical, private and a safe place to report. If an administrator determines that one of these behaviors has occurred, the students involved will receive support from a school counselor, school psychologist, school social worker, pupil personnel worker or school health staff person to be sure everyone involved feels safe and supported and understands how to avoid these situations in the future.

IF YOU KNOW SOMEONE WHO IS BEING BULLIED...

- If you feel safe, be an "Upstander" and
 - Tell the bully to stop by saying, "We don't do that at this school." Or "That's not right to treat someone like that."
 - Say words of support to the student being bullied
 - Be a friend!
 - Don't encourage the bully by laughing or joining in
 - Tell other bystanders how to help stop bullying
- If it doesn't feel safe ...
 - Tell an adult
 - Encourage the bullied student to talk to someone

IF YOU ARE BEING BULLIED...

- Tell someone — a parent, a teacher, a counselor
- Calmly tell the student to stop ... or say nothing and walk away

Dignity for All Students Act (DASA) Coordinators

Every building has a Dignity Act Coordinator. Please discuss any concerns regarding potential bullying, discrimination or harassment with our DASA Coordinator, Mr. Brant

IV. Dress Code

We recognize that school has the responsibility to maintain a safe and orderly environment conducive to learning. Furthermore, we recognize part of one's education is learning when, where, how and why appropriate dress is important. Different courses may have different requirements for appropriate dress (eg: for speeches, presentations, or performances); teachers will outline these expectations. All students are expected to give proper attention to personal hygiene and to dress appropriately for school and school functions as outlined through the expectations below. A student's dress including accessories, grooming, and appearance shall:

1. Be safe and not disrupt or interfere with the educational process.
2. Include opaque (non-see-through) fabric covering for chest, buttocks, groin, stomach and back at all times. Midriff exposure must not be greater than the span of the student's own hand span (excluding the thumb), while the student is standing normally, from the bottom of a top to the top edge of bottoms.
3. Ensure that under-garments are completely covered with outer clothing. A reasonable exception will be made for bra straps.
4. Include footwear at all times. Footwear should meet safety guidelines for the environment. Some footwear (such as sandals and flip-flops, etc) can be a safety hazard in some courses.
5. Allow for visibility of a student's face. Sunglasses may not be worn in the building unless accompanied by a medical note.
6. Not including items that are vulgar, obscene, libelous, or denigrating others based on race, color, national origin, religion, marital status, military status, sex, age, weight, sexual orientation, gender identity, ethnic group, religious practice, disability, or predisposing genetic characteristics.
7. Not promote and/or endorse the use of alcohol, tobacco, marijuana, illegal drugs; be of sexual nature; and /or encourage other illegal or violent activities.

We specifically **allow** headware to be worn (hats, bandanas, hoodies, etc) in common areas; however, headwear may not disrupt or interfere with the educational process. When in an instructional space, it is at the sole discretion of the adult in charge as to whether headwear may be worn.

*If an adult talks to you about being out of dress code, do what they request. If you're genuinely confused about why, or what you're wearing is important to you and it's not communicating something rude or degrading about someone else, you may **respectfully** ask why you are in violation. If you feel that your viewpoint has not been heard, we still want you to do what has been requested but then speak with an administrator.*

V. Personal Electronic Communication Devices

Students are not to have out their personal electronic communication devices (cell phones, i-pods, small tablets, etc) for any reason during an instructional bell period. This includes during a student's study hall(s) or while in the hallway during their instructional class. The only exception to this is before the first bell at 8:00 and after 3:02, the two (2) minutes of transition between periods, and during a student's own lunchtime.

A student who has their device out will forfeit the device for the remainder of the school day, no exceptions.

The use of school-issued/approved Chromebooks and laptops will continue to be allowed for appropriate uses. Inappropriate websites and inappropriate use and engagement on social media sites are violations of the student Code of Conduct

VI. Discipline & Participation in After-School Activities

When a student's behavior results in a disciplinary action, they will be restricted from participating in after-school activities as outlined below:

Detentions: Students serving detentions (teacher or principal) may attend all activities without restriction.

Suspensions (In-School and Out-of-School): Students serving suspensions are restricted from attending all events and practices on the day(s) covered by their suspension. A student whose suspension doesn't end until after the weekend will be restricted from attending all weekend events and practices.

Home-Bound Instruction: Students serving home-bound instruction are restricted from attending any events or practices for the duration of their placement in home-bound instruction.

VII. Conduct on School Buses

The Board of Education believes it crucial for students to behave appropriately while riding on district buses, both to ensure their safety and that of other passengers, as well as to ensure the least possible distractions for the bus driver.

Excessive noise, pushing, shoving and fighting will not be tolerated. It is also important that those waiting for buses conduct themselves properly in respect to the rights and property of others. Parents are reminded that bus transportation for students is a privilege which may be suspended due to misbehavior.

Behavioral Expectations for Students on School Buses

1. Students must be ready when the bus arrives.
2. Students must conduct themselves in a manner that will not interfere with the safe operation of the bus, and subsequently, the safety and well-being of its passengers.
3. Students must obey the instructions of the bus driver at all times.
4. Students must pass always in front of the bus. Students will cross at least 6 feet in front of the bus in full view of the driver, when motioned by the driver
5. Students will enter and leave a bus only when the bus is motionless.
6. Students will not extend part(s) of body out of school bus windows.
7. Students will ride the bus only for purposes of transportation to and from their homes or on authorized school trips.
8. Students will not eat on the bus.
9. Students will remain in their seats while the bus is in motion.

VIII. Preventative Strategies; Responding to Behavior Violations

The code creates a four-level support system that emphasizes student accountability and behavior change. When a student’s rule violation is significant, he or she is assigned a consequence signaling that the action at issue is inappropriate, unacceptable or unsafe. The district response to the violation will fall into one of four levels. The higher the level of response, the more serious the violation.

The level system emphasizes both student accountability and behavioral change. The goal is the prevention of a recurrence of unacceptable behavior by helping students to:

- Learn from their mistakes;
- Understand why the behavior is unacceptable;
- Acknowledge the harm that they have caused or the negative impact of their actions;
- Understand what they could have done differently in the situation;
- Take responsibility for their actions;
- Be given the opportunity to learn pro-social strategies and skills to use in the future; and
- Understand that more intensive consequences and interventions will take place if unacceptable behaviors persist

Levels of Response at a Glance

Level 1	Level 2	Level 3	Level 4
Classroom support and student support team	Classroom support, intensive out-of-class support, and appropriate administrative interventions, up to issuance of detention	Supports and discipline up to a short-term suspension (maximum of 5 days of OSS)	Supports and discipline up to a long-term or permanent suspension

LEVEL 1 response incorporates universal school wide and classroom practices that promote the development and practice of pro-social behaviors, self-discipline, habits of learning, and healthy well-being. Through observation and immediate responses, teachers aim to prevent minor discipline problems from becoming major disciplinary incidents.

LEVEL 2 involves targeted interventions and assigned consequences when a student’s behavior violation warrants a more focused behavioral response beyond the immediate situation or incident in the classroom or other location. Assigned consequences can include assignment to detention.
