MCS WEEKLY UPDATE

WEEK ENDING 03/08/2019

Each week I write an email to the faculty, staff and Board of Education to update them on the events of the last week and to keep them “in the loop” on important issues that impact MCS. In order to foster even greater communication and transparency for the great work that is done at MCS, I will be sending a weekly update out to the larger Milford community to keep you “in the loop” as well. Here is my update for the week ending 03/08/2019:

CAPITAL PROJECT VOTE

On Tuesday, I presented information to both the MCS staff and the Milford Community on the 2019 Capital Project. The voters will now decide on Tuesday, March 12th whether the district should move forward with this project. The vote will take place from 2-8 PM in the PAC lobby. All residents of Milford are encouraged to vote.

SENATOR SEWARD VISITS MCS

On Friday, March 1, 2019, Senator Seward visited MCS to present a Senate Resolution to elementary art teacher, Jill Accordino. The Resolution proclaims March 2019 as Youth Art Month in the State of New York. Mrs. Accordino's classroom was selected to be visited because of her involvement in the NY State Art Teachers' Association, and her dedication to the art program here at MCS. Way to go Mrs. Accordino! I've attached pictures.

MCS STUDENT ART DISPLAYED IN ALBANY

Two first grade students, Sophia Coughlin and Elaina Morey, had their art pieces selected to be displayed at the 2019 Legislative Student Art Exhibit. Senator Seward met our students and their parents at the exhibit. Congratulations Sophia and Elaina!

STREAM WEEK

STREAM (Science, Technology, Reading, Engineering, Art, Math) Week will be held during the week of May 13-17. The MCS Technology team is putting together an amazing assortment of activities for our students, and we will have other school districts visiting MCS to join us this year. More details will follow!

PARP (Pick A Reading Partner) WEEK

This past week has been PARP Week here at MCS. Each day has had a theme and members of the staff as well as secondary students have been reading to our elementary students. What a great tradition here at MCS!
