MCS WEEKLY UPDATE

WEEK ENDING 04/12/2019

Each week I write an email to the faculty, staff and Board of Education to update them on the events of the last week and to keep them “in the loop” on important issues that impact MCS. In order to foster even greater communication and transparency for the great work that is done at MCS, I will be sending a weekly update out to the larger Milford community to keep you “in the loop” as well. Here is my update for the week ending 04/12/2019:

2019 MUSICAL

Congratulations to the entire cast and crew of this year's musical. *The Addams Family: A New Musical Comedy* was a huge success. My sincere gratitude and appreciation goes out to all of the MCS Staff, parents, and community members who came together to make sure that our students had an amazing experience. Without your support, it is likely the musical would not have been possible. Thanks again to all of you for being amazing and supporting our students!

EMPTY BOWLS PROJECT

On Friday, April 26, 2019, MCS will host its 1st Annual Empty Bowls Project from 5-7PM. This project has grown internationally as a reminder of the hungry among us. The MCS CROP and Art Club students have worked together to handcraft 200 unique bowls. Select a bowl, fill it with soup, and enjoy some homemade bread! All proceeds will benefit the Milford Food Pantry.

SUMMER CROP & PARK PROGRAM

MCS and the Town of Milford will coordinate this summer to offer a program that will bring together the best of CROP and the former summer Park Program. The combined program will run from Monday, July 8, 2019 through Friday, August 2, 2019. More details will be forthcoming after the break.

CAPITAL PROJECT UPDATE

The Capital Project work continues at a very fast pace. In the last two weeks, the following has occurred:

- SED approved Phase 1 of our project and issued our building permit this past week.
- Phase 1 work went out for bid early this week. The deadline for bids is May 2nd, and a pre-bid walkthrough will occur on 4/23 at 1:30 PM.
- Last week the Facilities Committee met with the architects to select finishes for Phase 1. This included selecting paint colors, carpeting, furniture, as well as tiling options for the lobby and bathroom floors.

MRS. COUSE RETIRES AFTER 23 YEARS OF SERVICE

On Thursday, April 11, 2019, MCS celebrated the retirement of Mrs. Toni Couse. Mrs. Couse dedicated the past 23 years to MCS, and she is now looking forward to spending time with her grandchildren. Don't worry though, Mrs. Couse plans on coming back to substitute next school year. Thanks Mrs. Couse for your dedication to MCS and best wishes to you in your retirement!

HISTORICAL FASHION SHOW

Mr. Richtsmeier's 8th grade social studies class held its 1st Annual Historical Fashion Show on Thursday, April 11, 2019. The students researched historical figures and narrated about them as they strutted to music down the runway. Creativity in the classroom is alive and well at MCS! Pictures are attached.

Have a great April break!

1st Annual Empty Bowls Project

*an event to fight hunger sponsored by Milford C.R.O.P After School Program &
Milford School Art & Ceramics Club*

“Empty Bowls” is internationally recognized as a reminder of the hungry among us. Take home a handcrafted bowl representing a family, a child, a senior, a student or someone who is feeling hungry.

ALL PROCEEDS WILL BENEFIT THE MILFORD FOOD PANTRY

With a monetary donation, choose from one of the 200 unique handcrafted bowls created by a Milford student. Then fill your bowl with a tasty soup that has been prepared by a local restaurant, community member, or by CROP students. Alongside the soup we will have delicious homemade bread, donated by community members or baked by Milford students and staff.

Want more information or would like to donate to the event?
