It is not too late for the **FLU SHOT!!!!**

Vaccines help to protect from serious illness and hospitalization.

New York State Health Commissioner Dr. Mary T. Bassett said. “the **annual flu shot** is the most effective protection against serious illness.”

The **Flu Vaccine** is available at **NO CHARGE** for students enrolled in SBHC

If your student is not enrolled please contact your local SBHC or call
844-255-7242 for enrollment information
